IMPORTANT: This is a fixed indemnity policy, NOT health insurance.

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- **Visit [HealthCare.gov](https://www.healthcare.gov)** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.

Your benefits. Your way.

Like most Americans, you may feel that financial well-being isn't much of a reality these days. With inflation and health care costs on the rise, consumers of all incomes may be struggling to make ends meet. And since health insurance was never really designed to cover all the costs of medical care, an unplanned visit to the hospital could leave you with unexpected medical bills, only adding to financial struggles.

Aflac Choice offers a wide variety of options so you can customize hospital benefits based on your unique needs and budget - to help with out-of-pocket expenses associated with doctor visits, hospitalizations, and mental health treatment, including counseling and urgent care.¹

Here's how Aflac can help

Aflac pays you cash to help with the expenses not covered by health insurance, so you can worry less about making ends meet when you're left with unexpected medical bills.

Why Aflac Choice may be right for you

- It's customizable. You choose the plan that's right for you based on your specific needs.
- Guaranteed-issue options available—that means there is no medical questionnaire required.²
- We pay cash directly to you (unless otherwise assigned)—not the doctor or hospital.

¹ The Extended Benefits Rider pays a benefit for visits (including telemedicine) to a physician, psychologist or urgent care center.

² Subject to certain conditions.

Understand the difference Aflac makes in your financial security.

Aflac pays cash benefits directly to you, unless otherwise assigned, for covered hospital expenses. We provide you with financial resources to help you overcome some of the unexpected expenses associated with a visit to the hospital, giving you less to worry about so you can focus your energy on getting better.

LIMITED BENEFIT, HOSPITAL CONFINEMENT INDEMNITY INSURANCE
Outline of Coverage for Policy Form Series B40100

THIS IS NOT MEDICARE SUPPLEMENT COVERAGE.

If you are eligible for Medicare, review the “Guide to Health Insurance for People with Medicare” furnished by Aflac.

(1) **Read Your Policy Carefully:** This Outline of Coverage provides a very brief description of some of the important features of the policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth, in detail, the rights and obligations of both you and Aflac. It is, therefore, important that you READ YOUR POLICY CAREFULLY.

(2) **Hospital Confinement Indemnity Coverage:** The policy provides coverage in the form of a fixed benefit during periods of hospitalization or care resulting from Sickness or Injury, subject to any limitations set forth in your policy. It does not provide any benefits other than the fixed indemnity for Hospital Confinement or Mental Illness Facility Confinement and any additional benefits described below.

(3) **Benefits:** Aflac will pay the following benefits, as applicable, for a covered Sickness or Injury that occurs while coverage is in force, subject to the Pre-existing Condition Limitations, Limitations and Exclusions, and all other policy provisions, unless indicated otherwise. The term “Hospital Confinement” does not include emergency rooms. Treatment or confinement in a U.S. government Hospital or U.S. government Mental Illness Facility does not require a charge for benefits to be payable.

The Hospital Confinement Benefit and the Mental Illness Facility Confinement Benefit are not payable in the same Calendar Year.

- F. WAIVER OF PREMIUM BENEFIT:** Upon written notice, Aflac will waive from month to month any premium(s) falling due during a continued Period of Hospital Confinement or Period of Mental Illness Facility Confinement for the Named Insured only. This benefit will begin after the Period of Hospital Confinement or Period of Mental Illness Facility Confinement for the Named Insured has exceeded 30 consecutive days. When such continued Period of Hospital Confinement or Period of Mental Illness Facility Confinement has ended, premium payments must be resumed. Once premium payments are resumed, any new Period of Hospital Confinement or Period of Mental Illness Facility Confinement must again satisfy the 30-day continued confinement for premiums to be waived.

If you die and your Spouse becomes the new Named Insured, premiums will start again at the appropriate rate and will be due on the first premium due date after the change. The new Named Insured will then be eligible for this benefit if the need arises.

- B. Aflac will not pay benefits for any illness, disease, infection, disorder, or condition that is medically evaluated, diagnosed, or treated by a Physician or Mental Health Provider before coverage has been in force 30 days, unless the loss begins more than 12 months after the Effective Date of coverage.

Care or treatment caused by a Pre-existing Condition will not be covered unless it begins more than 12 months after the Effective Date of coverage.

If the coverage is a replacement of similar coverage, we will give credit for the period of time the person was covered under the previous coverage, if the previous coverage was continuously in force to a date not more than 62 days before the Effective Date of the new coverage, when determining the Pre-existing Condition Limitations, exclusive of any applicable waiting periods under the new coverage.

(6) Renewability: The policy is guaranteed-renewable for your lifetime by the timely payment of premiums at the rate in effect at the beginning of each term, except that we may discontinue or terminate the policy if you have performed an act or practice that constitutes fraud, or have made an intentional misrepresentation of material fact relating in any way to the policy, including claims for benefits under

the policy. Aflac may change the established premium rate, but only if the rate is changed for all policies of the same form number and premium classification in the state in which the policy was sold that are then in force.
