

PRM GROUP HEALTH TRUST

HEARING AID REIMBURSEMENT

The Hearing Aid benefit allows the employees of the PRM Group Health Trust members, who are enrolled in the Florida Blue health plan, reimbursement, or coverage for hearing aids, based on the plan.

Traditional copay plans: allows reimbursement of \$500 for the hearing aid for the first ear, and \$300 reimbursement for the hearing aid for the second ear, every 36 months. The ***charges do not apply toward the member's deductible, coinsurance, or out-of-pocket accumulators.*** The reimbursement check is sent directly to the member.

HSA plans: coverage allowance of \$500 for the hearing aid for the first ear, and \$300 reimbursement for the hearing aid for the second ear, every 36 months. The ***charges do apply toward the member's deductible, coinsurance, and out-of-pocket accumulators.*** The reimbursement check is sent directly to the member if the annual out-of-pocket maximum is satisfied.

Members can use any provider.

Florida Blue subscribers can enroll in the free discount program Blue365 to take advantage of additional saving with hearing aid providers such as TruHearing, Beltone, Start Hearing, Hear USA and others.
