### Your IDShield Membership Includes:

#### **Auto-Monitoring:**

Provides monitoring services directly upon enrollment. Using member-provided personally identifiable information, such as full Social Security number (SSN), and date of birth, your identity and credit are then automatically monitored.

#### **Continuous Credit Monitoring:**

Our 1B plan continuously monitors your TransUnion credit report and the 3B plan watches all three major credit bureaus. If discrepancies are found, you will receive an alert. As part of the restoration process, a credit report from the credit bureau will be provided if your identity is compromised.

#### **Credit Theft Alerts:**

If any changes or updates are found on your credit report, credit threat alerts are sent via email and push notifications on the IDShield Plus mobile app. You can review the alert with an investigator for further assistance.

#### **Child Monitoring (with Family Plan only):**

IDShield minor identity monitoring is part of an IDShield Family Plan. This service will alert you if your child's Social Security number is associated with any new names, credit or addresses. IDShield will monitor up to 10 dependent children that are under the age of 18 for any activity involving their Social Security number across all 50 states. Activity is not limited to, but could include public records, court documents, credit, loans, and liens.

#### **Hard Credit Inquiry Alerts**

Continuously monitors your credit report for new hard inquiries. Members with 1B plans have their TransUnion credit report monitored and those with 3B plans have all three major credit bureau reports monitored.

#### **Credit Freeze and Fraud Alert Assistance:**

IDShield Licensed Private Investigators will provide you with assistance in placing a credit freeze and/or fraud alert on your credit reports.

#### **Unlimited Consultation:**

You have unlimited access to consultation with an identity theft specialist when you have questions or issues related to identity theft. You don't have to be a victim of identity theft to take advantage of consultation services.

#### **Full Service Restoration:**

Our Licensed Private Investigators will work tirelessly on your behalf to restore your identity to pre-theft status and provide one-on-one consultation and support. Working with government agencies, financial institutions, credit bureaus, creditors, collection agencies and more, these investigators have the credentials necessary to restore your identity and conduct fraud research far beneath the surface.
