## How Your Vision Care Program Works

Eligible members and dependents are entitled to receive a vision examination and one (1) pair of lenses once every plan year and a frame once every two plan years or contact lenses and contact lens evaluation/fitting once every plan year.

At the start of the program, if authorized by your employer you may receive identification cards with participating providers in your zip code area listed on the back. At the time of your appointment, you must indicate that your benefit is administered by NVA. The provider will contact NVA to verify eligibility.

Be sure to inform the provider of your medical history and any prescription or over-the-counter (OTC) medications you may be taking.

To verify your benefit eligibility prior to calling or visiting your eye care professional, please visit our website at [www.e-nva.com](http://www.e-nva.com) or download our mobile app by searching NVA Vision, or contact NVA's Customer Service Department toll-free at 1.800.672.7723, TTY: 711 or NVA's Interactive Voice Response (IVR). Customer Service is available 24 hours a day, 7 days a week, 365 days a year. Any question any time.

If you are not a registered subscriber, you can still search our providers online by selecting the "Find a Provider" link on our home page. Enter group number **51701000101** or the group number on the identification card and enter in your search parameters. It's that easy!
