**WHEREAS**, Section 22(b), of the Town Charter, does not permit an increase in the allowable density, as established by the March 12, 1984, Comprehensive Plan, without the referendum approval of the electors of Longboat Key; and

**WHEREAS**, the property located 597 Buttonwood Drive (with a Property ID of 0005080027 (hereinafter "Property), is currently zoned OI, Office Institutional; and

**WHEREAS**, the Property is currently owned by American Momentum Bank (hereinafter "Property Owner") and Brista Homes, Inc. has a contract to purchase such Property (hereinafter "Contract Purchaser"); and

**WHEREAS**, the OI, Office Institutional, zoning district designation does not have assigned residential density; and

**WHEREAS**, Mr. Bruce Franklin, an authorized representative for the Property Owner and Contract Purchaser has indicated to the Town that the Property Owner is interested in rezoning the Property to allow residential uses; and

**WHEREAS**, the Property Owner and Contract Purchaser have indicated to the Town a desire to pursue a request to add residential density to the Property not to exceed three (3) units per acre; and

**WHEREAS**, as a condition precedent to being able to apply for an amendment to the Town's Comprehensive Plan and file a rezone application for the Property, to comply with Section 22(b) of the Town's Charter, the Property Owner and Contract Purchaser must obtain referendum approval for such a density increase; and

**WHEREAS**, the Property Owner and Contract Purchaser's representative appeared before the Town Commission at the May 18, 2021, Regular Workshop Meeting, requesting that the Town Commission place a referendum question to the Town's electors asking whether the Town Commission may consider a change in density to allow residential density on the Property to increase from the current zero (0) units per acre to a maximum of three (3) units per acre; and

**WHEREAS**, at the above referenced Regular Workshop Meeting, the Town Commission directed Staff to work with the Property Owner and Contract Purchaser to develop referendum language for the request; and

**WHEREAS**, approval by the qualified electors of such a referendum question would enable the Town Commission to consider a proposal by the Property Owner and Contract Purchaser to amend the Town's Comprehensive Plan and rezone the Property to allow residential uses not to exceed three (3) units per acre; however, such referendum does not require that the Town Commission grant approval of the Property Owner and Contract Purchaser's requests; and

**WHEREAS**, the Town Commission's willingness to accommodate the Property Owner and Contract Purchaser's request to place the requested referendum question before the Town's electors relating to the density increase sought by the Property Owner and Contract Purchaser for the Property is not an endorsement by the Town Commission of the Property Owner and Contract Purchaser's proposed future site plan application, potential rezoning request, nor of its ability to redevelop the Property for the Property Owner and Contract Purchaser's intended use.
